

HOMOPHONE

# BREAKING NEWS

***Citizens of the Planet Homophone are totally confused, chaos reigns and they don't know which to write there, they're or their.***

**The Monarch says,** "Over **there** are a group of citizens. **They're** having trouble figuring out which words to use. They have **their** iPhones at the ready but what will they type?"

Can you help them?

## **Challenge 1**

Take 3 photos illustrating examples of each Homophone for **there, they're and their.**

Write a sentence explaining each picture - you can use arrows or circles if you like.

## **Challenge 2**

Take 2 photos that illustrate 2 of these homophones.

Write a sentence explaining each picture - you can use arrows or circles if you like.

## **Challenge 3**

Take 2 photos that illustrate 3 of these homophones.

Write a sentence explaining each picture - you can use arrows or circles if you like.

***AND, this is not the only dastardly crime against UNDERSTANDING on the planet of Homophone. There are other homophones out there causing confusion and chaos, can you find them?***

## **Challenge 4**

Find another set of homophones.

Take 3 photos illustrating examples of each Homophone.

Write a sentence explaining each picture - you can use arrows or circles if you like.
